

July 1, 2018

Dear Business Proprietor,

The Terra Nova High School Band Boosters is seeking sponsors for the 2018-9 Terra Nova Band season.

This year the Marching Band has 70 students who will perform at four Terra Nova Football home games, five band competitions and the annual Fog Fest parade. The band also performs two free community concerts and at various civic and school functions including Fog Fest and TNHS graduation every year .

The Terra Nova Band, directed by Brian Lewsadder, has a Concert/Symphonic group, a Marching Band, Winter Drumline and a Jazz Ensemble. More information about the Terra Nova Band, audio and images are available at the Terra Nova Band Boosters site: [terranovaband.org](http://terranovaband.org).

The Terra Nova Band students and boosters fund raise throughout the year to pay for instruments, upkeep, sheet music, competition fees, and transportation. The funds raised through sponsorship will pay for Fall and Spring competitions and offset these expenses.

If you are interested in being a Terra Nova Band sponsor, please refer to the enclosed sheet for sponsorship levels and sign-up information. Thank you! We appreciate all of your support!

Sincerely,

Kim Webb  
TN Band Booster President
